Brief Mention of Interest From Our Sister Republic Across the Rio Grande-

Special to the Gazette. CITY OF MEXICO, Sept. 3 .- Alberto Torres, newly appointed Mexican minister to Brazil, leaves for his post shortly.

It is considered ridiculous here, the attention pald in the United States to the sentence of Second Lieut. Yurbed for insubordination, as here no attention is paid him, whilst in the United States he is considered a Mexican prince, a title which has no existence.

The government says it will await the report of Gen. Alaterre, new minister to Central America, before deciding on the recognition of Ezta.

Telegrams dated at Trenton conestuing the arrest of Charles C. Rainey, American, at Tonaia, is greatly exaggerated. Rainey drew a pistol on the police who tried to arrest him, and he was imprisoned the same as a Mexi an under like circumstances would be, and prisons in all countries are not home comforts.

The probability is that Compania trans-Atlantic Espanola steamers will soon make more effective opposition toward the line between New York, Havana and Vern Cruz, and this movement will be highly appreciated by shippers, as the Ward line is extremely unpopular.

Saltaret has been appointed consulgeneral of Mexico in Yokohama. Gen. Pucheco, minister of public works, is now in Cordova.

The project of fitting up a national

SAN ANTONIO, TEX., Sept. 3 .- About Il o'clock this morning H. Booton of Richmond, swore out three affidavits against one Tom Smith of Fort Bend county, one for making threats, one for carrying a pistol and one for assault with intent to kill. The man was put under three bonds, amounting to \$750, promptly gave. It appears that Smith and Booton, who belong respectively to the two wellknown Woodpecker and Jaybird factions, met in front of the Southern hotel, where the trouble, which is said to have grown out of the old political feud, ensued. From words the affair went to blows, until Smith slapped Booton with one hand and drew his pistol with the other. Booton, who was unarmed, withdrew and made the above mentioned charges. Both men have a number of friends with them, and more trouble may ensue.

In pursuance of this invitation the conference recently in session at this capital adopted three

Also, I observe I can plat my ground regardless of streets on any side of me. I rather like this break of street at each block. It breaks the monotony and is something I have never seen before.

#### THE CAMP-MEETING.

Dr. Barcus Preached Last Night to a Large and Attentive Audience.

Last night Rev. Mr. Bareus spoke to a arge attendance of people at the campmeeting on the duty of accepting Christiunity at once. Delays are dangerous. he said. He dwelt on the fullness of the Holy Spirit, on the loss of the soul who put off its eternal salvation until too late. The saddest thing of tongue and pen, the saddest this, it might have been, he said was a deep and solemn contemplation, as an eternal thought, to those who wait until too late.

Several came forward for prayer, and the spirit of the Master moved on the hearts of the people.
